

# Action Taken Report Based on Feedback Collected

## The Feedback Mechanisms prevailing at the Institute

Feedback system is about institutional practices that take into account concerns of the quality of education.

College is affiliated to KTU, and follows the syllabus given by the University. Therefore there is no scope for framing the curriculum on its own. Any changes/ up gradations in the curriculum are solely handled by the university. 24 \* 7 Feedback facility is available in our website.

SI No	Recommendations Based on the Summarized Feedback	Action Taken
1.	Effective Soft skill training to be provided	MOU Signed with professional companies for giving soft skill training
2.	Curriculum Should be based on recent trends.	Minor revision in the syllabus was suggested to the university. Major correction was done by the university in 2019.
3.	College should estimate need of Industry and provide additional inputs for improving employability	Conducting add-on courses and encouraged online courses like NPTEL, SWAYAM UDEMY etc..
4.	Students can be Exposed to Industry Environment.	All students are encouraged for industrial Internships.
5.	Extra guidance for weak students to be provided.	A system is in place to identify weak students and remedial actions were taken to mitigate the gap.
6.	More Communication with parents	Increased Communication with parents with regular interaction and enhanced communication through SMS system, phone calls, Email and letters.
7.	Internet facility	Wi-Fi facility Enhanced in the campus.
8	Effective student counseling and mentoring	Revised the existing mentoring system for giving special attention to all students. In addition to existing counseling.

## Action Taken Report Based on Feedback Collected

### The Feedback Mechanisms prevailing at the Institute

Feedback system is about institutional practices that take into account concerns of the quality of education.

College is affiliated to KTU, and follows the syllabus given by the University. Therefore there is no scope for framing the curriculum on its own. Any changes/ up gradations in the curriculum are solely handled by the university. 24 \* 7 Feedback facility is available in our website. Feedbacks are taken from the stakeholders (Students, Parents, and Alumni & Employers)

SI No	Recommendations Based on the Summarized Feedback	Action Taken
1.	Steps for the improvement of Institute Industry Interaction	26 MOU Signed with professional companies for giving soft skill training and industrial training.
2.	Curriculum Should be based on recent trends.	Minor revision in the syllabus was suggested to the university. Major correction was done by the university in 2019.
3.	To make more students/staff to involve for online certificate courses	MBITS selected as NPTEL local chapter. No of registrations improved for MOOC courses. 47 students were certified.
4.	Initiatives to do Summer Internship in Prestigious institutions (NIT, IIT etc.)	Many students applied, but due to Covid'19 many of the institutes cancelled the same.
5.	Extra guidance for weak students to be provided during the COvid"19 pandemic	➤ Webinars are conducted for students to improve their communication skills and quality enhancement. The no of participants was 18800 from 2000 unique institutions. ➤ Contact classes are provided to students before university exams adhering to Covid'19 protocols in spite Covid'19 and while relaxing the restrictions.

		<ul style="list-style-type: none"> <li>➤ Recorded online classes are uploaded in Google classroom through LMS (Learning Management System)</li> <li>➤ Online Placement trainings are organized for students</li> </ul>
6.	More Communication with parents	Increased Communication with parents with regular interaction and enhanced communication through SMS system, phone calls, Email and letters.
7.	Internet facility	Wi-Fi facility Enhanced in the campus through more service providers.
8	Effective student counseling and mentoring	Identifies fast and slow learners through online mentoring. Based on that, online remedial classes are provided for slow learners and the fast learners are motivated to do the internships in premiere institutions like NIT, IIT etc and also to apply for competitive examinations.
9	Library	Books, e-journals, e-resources and periodicals enhanced.
10	Alumni Interaction	Alumni strengthened And also increased global and local communication with Alumni. Alumni chapters are starts in 7 countries.
