

Awareness Program on First- Aid

The IQAC and NSS units of MBITS with the support of MBITS Management conducted an Awareness program on First- Aid for all students of MBITS on 27th October 2022 (Thursday) at 1.45pm in MBITS Auditorium.

Ms. Gisha Jose, Associate Prof. Mar Baselios College of Nursing, Kothamangalam was the Chief Guest.

Ms. Soumya Markose, (IQAC Joint Co-ordinator, MBITS) welcomed the gathering and Mr. C A Kunjachan (Secretary, MBITS) inaugurated the program.

The program was started with Presidential speech by Dr. P SojanLal, (Principal, MBITS). Mr. Shiju Ramachandran (NSS Program Officer, MBITS) delivered the vote of thanks. 420 students attended the program.

Ms.Gisha Jose explained the meaning, aims and priorities of First Aid measures. She explained first aid management for various emergency situations like bleeding, fractures, injuries, asthma, heart attack, burns, poisoning, snakebite and dog bite. The awareness program helped the students in understanding the concept on how to respond calmly and quickly in an emergency situation. They also realized the importance of being vigilant if they come across any emergency in their life.
