

INSTITUTIONAL DISTINCTIVENESS (2019 -20)

RURAL UPLIFTMENT PROGRAM

For providing employment opportunities, Rural Upliftment Program was launched by MBITS. The aim of the program is to provide employment opportunities to rural areas as well as opportunities to develop their skills so as to improve their living conditions.

Objective of the Rural Upliftment Program

The objective of Rural upliftment Program is to help families in the rural areas to enhance their state of living and to empower them by helping them to develop at every level.

Implementation of the Rural Upliftment Program

Rural upliftment is implemented through the following programmes:

1. ADDITIONAL SKILL ACQUISITION PROGRAMME (ASAP)
2. PRADHAN MANTHRI KOUSAL VIKAS YOJAN (PMKVY)
3. UNNATH BHARATH ABHIYAN (UBA)
4. DEEN DAYAL UPADHYAYA GRAMEEN KAUSHALYA YOJANA(DDU-GKY)
5. SCHOLARSHIP FOR THE STUDENTS FROM RURAL AREAS
6. REINSTATING THE INFRASTRUCTURE DISRUPTED BY NATURAL CALAMITIES

ADDITIONAL SKILL ACQUISITION PROGRAMME (ASAP)

ASAP is a joint initiative of the General Education Department and Higher Education Department, Government of Kerala developed to impart sector specific skills to create a 'labour market' ready work force. This has been accomplished by providing additional skill sets to students along with their regular courses.

PRADHAN MANTHRI KOUSAL VIKAS YOJAN (PMKVY)

PMKVY is the scheme which has been launched to empower the Indian Youths. The scheme will be implemented through the National Skill Development Corporation (NSDC). The training under PMKVY includes soft skills, personal grooming, behavioural change for cleanliness, good work ethics. Our college offers Lathe operator course by Mechanical Engineering Department, Assistant Surveyor course by Civil Engineering Department, Domestic Data Entry Operator course by Computer Science & Engineering Department, Field Technician course (UPS and Inverter) by Electronics and Communication Engineering Department, Solar PV Installer course by Electrical & Electronics Engineering Department. All courses are offered free of cost.

UNATH BHARATH ABHIYAN (UBA)

UBA programme involve engaging with neighbouring communities and using technologies for their upliftment. Becoming a part of this technological movement and among the fewer institutions selected from Kerala, MBITS is poised to intervene into the ten connected panchayats namely Kottappady, Kuttamangalam, Pallarimangalam, Pothanicad, Pindimana, Keerampara, Vengoor, Kuttampuzha, Kadavoor and Vannappuram. As an initiative Computer literacy training program was given to selected Kudumbashree members from the associated panchayaths.

A well-equipped computer lab is provided for this training. Those candidates who have passed 10th are included in this program. The main aim is to impart computer literacy to different grama panchayaths. The team members from MBITS had communicated with various Panchayats to gather valuable inputs before developing the initial framework of this programme.

DEEN DAYAL UPADHYAYA GRAMEEN KAUSHALYA YOJANA

DDU-GKY is the skilling and placement initiative of the Ministry of Rural Development (MoRD), Government of India. The scheme focuses on catering to the occupational aspirations of rural youth and enhancing their skills for wage employment.

In this project our college offers course on **Accounts using tally**.

SCHOLARSHIP FOR THE STUDENTS FROM RURAL AREA

Scholarship up to 90% of the tuition fees to meritorious students from rural areas. In the year 2019-2020, 129 students were benefited. Fund to the tune of Rupees 2829650/- was expended from Mar Thoma Cheriya Pally exchequer.

REINSTATING INFRASTRUCTURE DISRUPTED BY NATURAL CALAMITIES

Kerala experienced an abnormally high rainfall from 1st June 2018 to 19th August 2018. This resulted in severe flooding in 13 out of 14 districts in the State. The flood with torrential rains left hundreds dead, thousands homeless and it devastated the livelihood of lakhs. MBITS was part of Rebuild Kerala, State Government initiative aimed at rebuilding life in Kerala after the floods.

MBITS team comprising 11 staff members from various streams and 27 students from M.Tech and B.Tech started the work of site investigation and field work for preparation of detailed project report (DPR) on 6th January 2020.

Team completed drawings after doing the field work including soil investigation and total station survey for preparing DPR for following roads.

1. Anikadu-Pravidakunnu road in Avoli Gramma Panchayath
2. 12th mile-Mezhukumchal road Adimali Gramma Panchayath

DPR can be accessed from government web site.
