INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF MAR BASELIOUS EDUCATIONAL AND CHARITABLE TRUST

Report on the Financial Statements

We have audited the accompanying financial statements of Mar Baselious Educational and Charitable Trust ("the Trust"), which comprise the Balance Sheet as at 31st March 2022 and Income and Expenditure Account for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Trust's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Trust in accordance with the Accounting Standards applicable to non corporate entities issued by Institute of Chartered Accountants of India in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Trust's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the Trust as at 31st March 2022;
- b) In the case of the Income and Expenditure Account, of the excess of expenditure over income of the Trust for the year ended on that date; and

Report on Other Legal and Regulatory Requirements

We report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Trust so far as it appears from our examination of those books.
- c) The Balance Sheet, the Income and Expenditure Account dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the Balance Sheet, Income and Expenditure Account comply with the Accounting Standards applicable to non corporate entities issued by the Institute of Chartered Accountants of India.

Notes to financial statements

1. Trust Information

Mar Baselious Educational and Charitable Trust (MBECT) is a non-profit, non-governmental and 12A Registered (Income Tax Act, 1961) charitable organization which was established in the year 2009. The Trust is owned by the Mar Thoma Cheria Pally, Kothamangalam and it has been registered under Indian Trusts Act. The trust has been functioning in Kothamangalam, Kerala. Mar Baselious Institute of Technology and Science (MBITS) is an engineering college run by Mar Beselious Educational and Charitable Trust from 2009. The institution has 5 branches at Under Graduate level and 4 branches at Post Graduation level with a total intake of 516.

2. Significant accounting policies

2.1 Basis of accounting and preparation of financial statements:

The financial statements are prepared under the historical cost convention, on the accrual basis of accounting and in accordance with accounting principles generally accepted in India and comply with the accounting standards issued by the Institute of Chartered Accountants of India (ICAI).

The Trust is classified as a Level I enterprise as defined by the scheme of applicability of accounting standards issued by ICAI. Accordingly, the Trust is required to comply with all mandatory accounting standards prescribed by the ICAI.

2.2 Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

2.3 Fixed Assets and Depreciation:

Fixed assets are carried at historical cost less accumulated depreciation and impairment losses, where applicable. The Trust capitalizes all costs relating to the acquisition and installation of fixed assets. Cost comprises the purchase price and any attributed cost of bringing the asset to its working condition for its intended use. Depreciation on assets is provided on the Written down Value Method at the following rates based on the management's estimate of the useful life of the asset.

2.4 Employee benefits

Short term employee benefits

All short term employee benefits such as salaries, wages, and other benefits which falls due within 12 months of the period in which employee renders the related services which entitle him to avail such benefits and non-accumulating compensated absences are recognized on an undiscounted basis and charged to the Income and Expenditure Account.

Provident fund

The eligible employees of the trust are entitled to receive benefits under provident fund, a defined contribution plan, in which both employees and the trust make monthly contribution at a specified percentage of the covered employees' salary. The trust is generally liable for annual contributions and any shortfall in the fund assets based on the Government specified minimum rate of returns or pension and recognizes such contributions and shortfall, if any, as an expense in the year incurred.

2.5 Revenue recognition:

Revenue is recognized to the extent that it is probable that the economic value will flow to the Trust and the revenue can be reliably measured.

Incomes arising from services are recognized on accrual basis. Interest income on bank deposits is accounted on accrual basis.

2.6 Borrowing cost

Borrowing cost includes interest, ancillary costs incurred in connection with the arrangement of borrowings and exchange difference arising from foreign currency borrowings to the extent they are regarded as adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized. The other costs are charged to the Income and Expenditure Account.

2.7 Provisions, contingent liabilities and contingent assets:

Provisions are recognized only when the Trust has present or legal or constructive obligation as a result of past events for which it is probable that an outflow of economic benefit will be required to settle the transaction and a reliable estimate can be made for the amount of the obligation. Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the Trust or (ii) Present obligation arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made

2.8 Provision for advances:

Provision for advances given to various parties is made based on the management's analysis of the recoverability of such advances outstanding as at the balance sheet date. All the advances are subject to confirmation.
