21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

Nil

Good

Provide new technology updates

Make more practical experience, Do more Labs

Try to provide a deeper understanding about the core concepts

Excellent 👍

Adding some extra learning course

Excellent

Teachers can be more friendly with the students .

Good

provide less notes and more study times

1.Give guidance to teachers in newly added courses like Python

1.Give teachers training for newly added courses like algorithmic thinking with Python 2.Subjects like Graphics need some visual based learning techniques to improve visualising ability

Nothing much

Speed presentation

Excellent

Start classes early and end class early. Like in AISAT they start the college at 8.00 and end by 12.30.

No suggestions

Every aspect is great

NIL

*Give more importance to practical sessions than theoretical *Invent more extracurricular activities to reduce the reduce the mental pressure

Nill

1) A more practical approach 2) More guest lecturers 3) More Internship opportunities

Explaining content with video can be useful to understand the concept

No

The overall learning experience is very good and effective.

To not give subjects having lab to fresher teachers.

Improving in students area of interest More industrial oriented level teaching More industrial expertise

No suggestions at all

Just right

Nothing much

Need correct the speed of teaching. Improve the method of teaching to make the students more clarity on each topic. Encourage skills , give more classes about the activities internship etc.

Be more intractive Only takes 2 periods a subject in a day Reduse shoutings to students

No comments for improvement

Should encourage students in extracurricular activities

More interaction Need importants to other activities

Good keep it up
