

The local language communication in India is vital for effective developmental action. According to Census of India, 122 major languages and 1599 other languages out of which 30 languages are spoken by over a million native speakers in different parts of India. Disseminating knowledge and strengthening the learning process through the medium of regional languages thus becomes a necessity to achieve the Viksit Bharat 2047 dream. Regional Level Conferences/Seminars/Workshops on the recent trends/updates/innovations in technical field are supported under this scheme. The Conference/Seminar/Workshop of minimum 2 days to maximum 3 days & minimum 50 participants will be supported under the scheme.

2-DAY SYMPOSIUM ON

“BUILDING BETTER DISASTER RESILIENT INFRASTRUCTURE FOR A SAFER FUTURE”

We are delighted to announce that the Department of Civil Engineering, Mar Baselios Institute of Technology and Science will be conducting a 2-day Symposium on Building Better Disaster Resilient Infrastructure for a safer Future in Malayalam, from 24th to 25th June, 2025. This Symposium is being organized under the AICTE-VAANI scheme, which aims to provide financial assistance to AICTE approved institutions for conducting events such as conferences, seminars, and workshops in emerging technical fields in 12 regional languages. This scheme represents the AICTE's commitment to promoting high standards in technical education in regional languages. By extending opportunities to academicians and working professionals to share their knowledge, experiences, innovations, and inventions in 22 emerging fields, the AICTE is encouraging institutions to build a knowledge base through events conducted in regional languages. This Symposium serves as a valuable forum for individuals to contribute to the advancement of technical education in regional languages by participating in discussions and knowledge-sharing activities
