

## Advisory Committee

**Dr. Jacob Raglend,**  
Professor, School Of Electrical Engineering, Vellore  
Institute Of Technology Vellore

**Dr. A I Selvakumar,**  
Professor, Department of Electrical & Electronics  
Engineering, Karunya Institute of Technology and  
science , Coimbatore, Tamil Nadu.

**Dr. Pradeepmon T.G,**  
Assistant Professor, Department of Mechanical  
Engineering, National Institute of Technology Calicut,

**Dr. Arun Dominic D,**  
Assistant Professor, Department of EEE, National  
Institute Of Technology Surathkal

**Dr. George Joseph,**  
Assistant Professor, Indian Institute of Management,  
Ranchi, Jharkhand, India

**Er. Basil Issac,**  
Vice President R&D, ERAM Power Electronics

## KeyNote Speakers

**Dr. Sherimon P. C,**  
Dean, Faculty of Computer Studies,  
Arab Open University, Oman

**Prof. Walid Tawfik Younes Mohamed,**  
Chairman of Department of  
Laser Applications in Metrology,  
Photochemistry and Agriculture  
(LAMPA), NILES, Cairo University,  
Egypt.

### Registration fee:

#### National Participants:

- Students: Rs 3000/-
- Industrialist: Rs. 4000/-
- Researcher Scholars / Faculties : Rs.3500/-

#### International Participants:

- Students: \$100
- Industrialist and Researchers/ Faculties: \$150

All presented papers will be published in conference proceedings with ISBN. Selected peer reviewed papers will be published in Scopus indexed journals with additional payment. (2026-indexed Q3 or Q4)

#### Submit the Papers through CMT platform

<https://cmt3.research.microsoft.com/ICSRC2026>

#### Payment Details

Account No.: 40292210011717

## About the College:

MBITS Engineering College, established in 2009, is a premier institution dedicated to providing quality engineering education to passionate students. Accredited by the National Assessment and Accreditation Council (NAAC) under the UGC and NBA, MBITS upholds the motto "Wisdom Crowns Knowledge," emphasizing the application of learning in real-world contexts. The college offers a holistic education that fosters both technical expertise and ethical responsibility, shaping students into skilled engineers and socially conscious leaders. With a range of undergraduate (B.Tech), postgraduate (M.Tech), and doctoral (PhD) programs, MBITS is supported by experienced faculty, state-of-the-art infrastructure, modern laboratories, and research centers that together create an environment conducive to learning, innovation, and professional growth.

## About Electrical and Electronics department:

The Electrical & Electronics Engineering Department at MBITS, established in 2010 with the vision of achieving excellence in education and research in energy-related areas, boasts a team of well-qualified faculty and experienced technical staff. The department's academic programs are designed to produce competent engineers equipped to meet the challenges of industry and society. Strong industry connections through visits, training, expert lectures, and seminars by alumni and technocrats enrich students' learning experiences. With a balanced mix of coursework and projects, the department strives to mould students into future leaders in industry, academia, and society.

## Scope of ICSRC'26

The conference aims to bring together researchers, practitioners, and industry experts to explore and discuss the latest advances, challenges, and future directions at the intersection of renewable energy, sustainable development, and computing techniques. The scope is deliberately broad and interdisciplinary, encouraging submissions that combine ideas from energy systems, computing, data science, control, policy, infrastructure, and sustainability.

## Conference Theme

Innovating for a Sustainable Future: Synergy of Renewable Energy and Intelligent Computing

1. Renewable Energy Systems & Power Electronics
2. Sustainable Development in Engineering
3. Computing Techniques & Green / Sustainable Computing
4. Design, Control, Optimization & Modeling in Engineering Sector
5. Energy management in industries
6. Cybersecurity, privacy, & resilience in energy systems
7. Quantum computing applications in energy optimization
8. Interdisciplinary works bridging computing, energy, environment, Material Science
9. Electronics & control system

## Submission Types & Approaches

- Theoretical / methodological contributions
- Algorithmic developments
- Experimental results, prototypes, testbeds
- Simulations and modeling studies
- Field deployments and case studies
- Comparative studies, benchmarking
- Review or survey articles

### Important dates:

Abstract submission:	20 <sup>th</sup> Dec 2025
Abstract Acceptance notification:	02 <sup>nd</sup> Jan 2026
Registration start date:	10 <sup>th</sup> Jan 2026
Camera ready paper:	20 <sup>th</sup> Jan 2026
Payment confirmation Deadline:	4 <sup>th</sup> Feb 2026
Last date for registration:	5 <sup>th</sup> Feb 2026
Conference Dates:	6 <sup>th</sup> , 7 <sup>th</sup> March 2026

## Cheif Patron

**Shri. K P Mathew**

Chairman, Mar Baselios Institute of Technology and Science

**Shri. Binoy Thomas**

Secretary, Mar Baselios Institute of Technology and Science.

**Shri. Binu K Varghese,**

Treasurer, Mar Baselios Institute of Technology and Science.

**Dr. Shajan Kuriakose,**

Director, Mar Baselios Institute of Technology and science.

## Patron

**Dr. Thomas George**

Principal, Mar Baselios Institute of Technology and Science.

## Convenor

**Dr. Arun Eldho Alias**

HoD (EEE), MBITS.

## Coordinator

**Dr.Tibbie Pon Symon.V.A**

Professor (EEE), MBITS.

## Organising Secretary

**Dr. Rini Varghese P**

Associate Professor (EEE), MBITS.

**Dr.Thomas George**

Associate Professor (EEE), MBITS.
